

Farm Tour

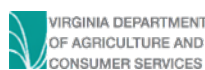

Wednesday, April 10, 2024 · 10 am–1 pm · **FREE**
Penhook, Virginia · *Space is limited to 20 participants.*

Participants will meet with the owners and tour a farm in its third year of operation. This farm has incorporated high tunnels, field crops, an onsite meat processing facility and a roadside stand. They have partnered with DCR to receive assistance with fencing, water supply, and improved pasture/over-seeding. They have also arranged to sell their products to local restaurants and businesses. This tour is an excellent opportunity for new farmers and those contemplating expanding their operations.
